An Important Fact!-The reason why that Great COUGH REMEDY, DR. C. WILLIAMS' PULMONIC BALSAN OF WILD CHERRY AND WOOD NAPPIIA, is so very popular is not only owing to its remarkable virtues as a remedial agent, but it is so pleasant to take. It is a beautiful cordial, has a delightful flavor, and is so agreeable, that, when given to children, they cry for more! See advertisement in another col-

An Ounce of Fact is worth a pound of theory and the swarms of conclusive facts that cluster around that incomparable preparation, Hoofland's German Bitters, prepared by Dr. C. M. Jackson, Philadelphia, establishing its value as a tonic and restorative, are such as would prevent incredulits itself from questioning its efficacy. In all cases of disease of the stomach, whether acute or chronic it may be recommended for its soothing, cordial and renovating influence.-Dyspepsia, heartburn, loss of appetite, nausea, nervoue tremors relaxation, debility, &c., are relieved, by the Bitters in a very short space of time; and perseverance in their use never fails to work a thorough cure.

Another Scientific Wonder!-Important to Dyspeptics .- Dr. J. S. Houghton's Pepsin, the True Digestive Fluid or Gastric Juice, prepared from Rennet, or the Fourth Stomach of the Ox, after directions of Baron Leibeg, the great Physiological Chemist, by J. S. The most extraordinary discovery in the World is the Grat Arabian Remedy for man and Beast.

H. G. FARRELL'S CELEBRATED ARABIANLINIMENT

IT IS A FACT ESTABLISHED and well known that the Arabians attained a height in the knowledge of medicine which caused the whole world to wonder and admire. With them the science of chemistry had its birth, and it is, therefore, not at all strange that a people so eminently successful in the healing art, and so persevering and daring in character, should, by actual and untiring experiment, discover rearedies far surpassing in efficiency all others, for the care of those diseases incident to them from their mode of life. The greater part of their time being spent in hazardons and bloody warfare with the different tribes, they were subject to the most violent attacks of rheumatism, par, alysis, neuralgie pains, and various inflammatory diseases, as also the most horr d wounds, sprains, bruises, tumorsawellings, diseases of the joints, etc., etc. All these diseases they were so surprisingly efficient in curing, that the uninitiated looke I with wonder and attributed their skill to the powers of magic. H. G. FARRELL'S ARABIAN LIVI-MENT is a composition of balsams and oils, from rare plants peculiar to this country, and it was by the use of the articles. composing this great remedy that not only their physicians, but even the wild Arabs of the desert were enabled to perform such miraculous cures. The Arab steed is world-re nowned for his besutiful symmetry of form, his unsurpassed speed and agaity, and the incredible fatigue he is capable of enduring. Why is it? Because from the time of his birth his limbs are certainly watched, and upon the first appearance of disease the magic lotion is applied, and such things as confirmed sweeny, poll-evil, fistula, ringbone, scratches, spavin, lameness, etc., etc., are unknown. The same result will follow in all cases where H. G. Frrrell's Genuine Arabian Limiment is used in time. Therefore delay not in procuring a good supply of it, for every dollar spent in it will save you twenty, and a great deal of suffering, if not your

Look out for Counterfeital The public are cautioned against another counterfeit, which has lately made its appearance, called W. B. Farrell' Arabian Limment, the most dangerous of all the counter feits, because his having the name of Farrell, many will buy it in good faith, without the knowledge that a counterfeit exists, and they will perhaps only discover their error when the spurious mixture has wrought its evil effects.

The genuine article is manufactured only by H. G. Farrell, sole inventor and proprietor, and whole sale druggist, No. 17 Main street, Peoria, Illinois, to whom all applications for Agencies must be addressed. Be sure you get it with the letters H. G. before Farrell's, thus-H. G. FARRELL'Sand his signature on the wrapper, all others are counterfeits.
